Rally In Support Of Tinley Park Mental Health Center

7400 West 183rd Street

Tinley Park, IL

**Rally will be in front of the main hospital building on the Tinley Park
Mental Health Center Campus
Just West of Harlem**

Come to let the public know:

- **We need a public safety net hospital in the Southland!**
- **DHS admits that consumers formerly served at Tinley will have to be sent to Madden in Maywood or Read on the Northwest side of Chicago!**
- **Governor Quinn is closing Tinley to save money, not improve services! Much of the savings from the closure won't be invested in community services in the Southland.**

Call the Governors Office NOW!!!

The Funding must stay in our community for treatment to OUR COMMUNITY! We need to keep the Governor from spending the money saved from closing Tinley Park Mental Health Center on other services in another part of our state. Lets send a strong message to the Governor that we are paying attention to were he is spending our taxes and to what he is doing to our FAMILIES, FRIENDS, and NEIGHBORS that utilized services provided by Tinley Park Mental Health Center.
